

Simple Block Stitch

*This stitch is worked in multiples of 5 (=1). A good sized throw will need a foundation chain of 230 + 1.
You can chain any size you like.
This pattern lends itself well to using multiple colours.
Alternating colours on each row achieves a nice effect.
To make the foundation more sturdy we add a row of trebles.*

Tools & Materials

DK yarn in colour(s) of your choice
4mm crochet hook
Yarn needle, Scissors

Foundation chain

Chain multiples of 5 and as an extra chain

Row 1 (Base row)

ch 3 (counts as a false treble), [if chaining 3 makes the stitch appear too loose then just chain 2]
1 tr into each stitch

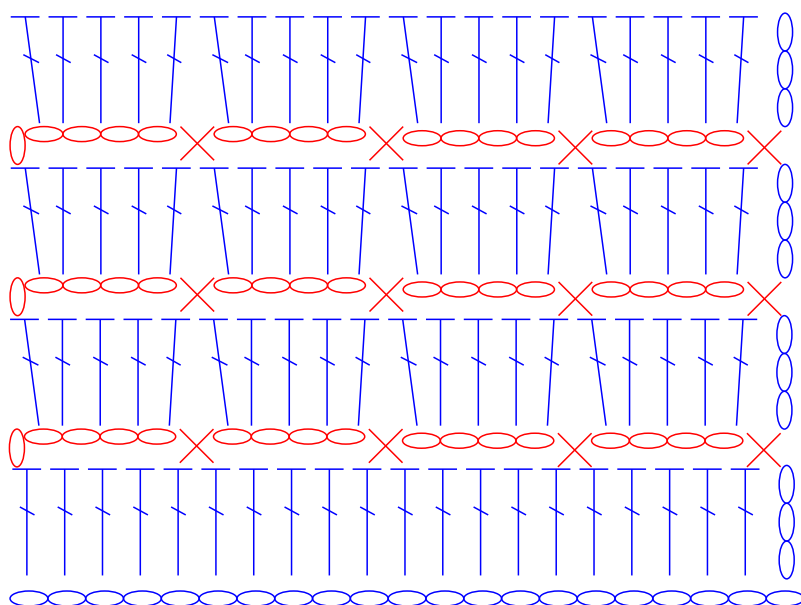

Row 2

Chain 5, dc into space between the fifth and sixth trebles, ch 4 dc, (repeat to end)

Row 3

ch 3 (counts as a false treble),
5 tr into each ch 4 sp.

Repeat rows 2 & 3 until your reach the size you require.
